SUMMARY

A stylish Italian eatery located where Boston's Back Bay meets the South End, Da Vinci Ristorante focuses on modern and classic Italian cuisine. Owner/Chef Peppino (formerly of La Campania in Waltham, MA) offers an array of beautifully presented Antipasti and Entrees, including homemade pastas, breads and desserts made fresh daily.

RESTAURANT DÉCOR

The restaurant features a dining room fit to carry the name of one of the greatest artists of all time.

Upon entrance guests are pleasantly welcomed by a beautiful combination of an Italian rustic feel and a modern touch which seems to flow all too perfectly together. The burgundy and cream colors which paint the dining room give it an authentic Tuscan feel while Da Vinci's statues and paintings which are scattered throughout cannot make one help but wonder if the restaurant was not designed by the legendary artist himself.

The interior is warm and welcoming and the staff extends that feeling to each and every patron. Cozy couches by the bar offer guests a place to call home away from home where they can relax the night away and sip on some wonderful wines or on one of cocktails named after Da Vinci's most famous works.

ABOUT THE CHEF

Chef Peppino (Shingara Singh) is Executive Chef and Co-Owner of Da Vinci Ristorante in Boston. Born in India, Peppino moved to Germany at the age of sixteen and lived with an Italian family in the German city of Hanover. Through this generous family who owned a renowned Italian restaurant named Leonardo Da Vinci, Peppino was completely immersed in Italian culture and language. Here Peppino trained with the best chefs, learning everything about traditional Italian cooking.

At the age of twenty-three, Peppino moved to Boston where he continued his love for cooking. He applied his experience at the House of Blues in Cambridge in the 1990's. In 1997, Peppino was offered the position of Executive Chef at La Campania Restaurant in Waltham where he developed a tremendous following of loyal guests and friends; and established a name for his exceptional cuisine.

After ten years at La Campania, Chef Peppino opened his own restaurant in Boston with Wioletta Zywna. Shortly after the opening the restaurant, Da Vinci was recognized by the James Beard Foundation as "the notable new restaurant in Boston."

PRIVATE DINING

The private dining atmosphere doesn't take you away from the ambience and the energy of the dining room. Our "private room" is formed by sectioning off the main dining room in two by beautiful burgundy dividers which flow perfectly with the character of the entire restaurant.

Even though it is not a private room, per se, it is no different in the sense that it offers the privacy which one can expect as it is completely separated from any other potential guests in the restaurant. The room is located in the section in front of the kitchen, almost resembling a chef's table, where the guests can first watch Chef Peppino prepare and then finally enjoy some of his delicious food.

We have the most competitive prices in the neighborhood and offer several menu & buffet options, all of which can be fully customized.

Seating capacity: 44 People

Cost: No rental fees; minimums vary depending on night.

TESTIMONIALS

“My fiancé and I had our rehearsal dinner at Da Vinci - and everything was impeccable. Spencer made sure everything ran smoothly and Chef Peppino amazed everyone, as usual. Da Vinci is my new favorite restaurant in Boston!”

Jenny E. – Boston, MA

“Our rehearsal dinner turned out to be one of the most amazing nights of our life! The Da Vinci team really made sure everything was top-notch...the ambiance, the staff, the food...it was perfect. We could not have picked a better venue for this event and we would recommend Da Vinci to anyone without hesitation. Thanks for everything!!!”

Mike & Kristy C. – Winthrop, MA

“I went on a first date to Da Vinci 16 months ago. 4 months from now, my date and I will be having our rehearsal dinner there.

The meal was amazing. I still remember the pasta tasting. The chicken. The pumpkin soup. The way he spoke of his life experiences and the way he walked me to my front door after dinner (and the way our first kiss stopped time in its tracks). Wow, I hope you all just got as nauseous as I did.

When we went back to book our space for the rehearsal dinner, our waiter was there. We walked in and he instantly remembered us. Seriously. He remembered us from over a year and a half ago. They poured our free drinks and went over our options for our private space and all the while, the energy of Da Vinci took over. The place is magical.”

Julie N. – Boston, MA

“My husband took me here on our first date. We fell in love with the restaurant and ended up having our Rehearsal Dinner here the night before we were married. The 30+ people at our Rehearsal Dinner still say it was one of the best meals they had ever had in Boston.”

Julie R. – Boston, MA

“One word: AMAZING. Everything was amazing! I could not have hoped to find a more perfect location for our event. You must go to Da Vinci now and experience all that it has to offer yourself.”

Nicole B. – North Carolina
